

IML – MESSE LOGISTIK GMBH was founded in year 2006. The headquarter is based at the Austria Center Vienna. We are the official forwarder for the Austria Center Vienna and for Hofburg Vienna the Preferred Logistic Partner. Since 2006 we have handled more that 300 National and International Exhibitions & Congresses in Vienna, Europe and Worldwide.

IML- MESSE LOGISTIK GMBH has a network of partners covering all the major exhibition centers in the world. Due to this, we can provide you with excellent exhibition forwarding services, which include packing and loading of the exhibition goods, preparing documents, making customs declarations, transportation, loadings at exhibition centers, delivery and pick up of the goods to/from the stand, storage of goods and empties during the exhibitions, etc.
